

How to find the Barge the Fiep in Bruges?

Where is the Barge in Bruges located?

The barge is an easy walking distance from the train station and from the middle of town. However whether you've just arrived by train or you've stayed a night or 2 in Bruges it is easiest to just take a taxi to the barge, especially if you have luggage. Just tell the taxi driver to take you to the Bus Parking area (**Brugge Katelijneparking**). **To help out the taxi driver let them know about these 2 landmarks which are extremely close to the barge (Fiep):**

- **Lichtschip Mayflower** Bargeweg 13 (a restaurant)
- **De Barge Boat Hotel Brugge** Bargeweg 15 (a hotel & restaurant)

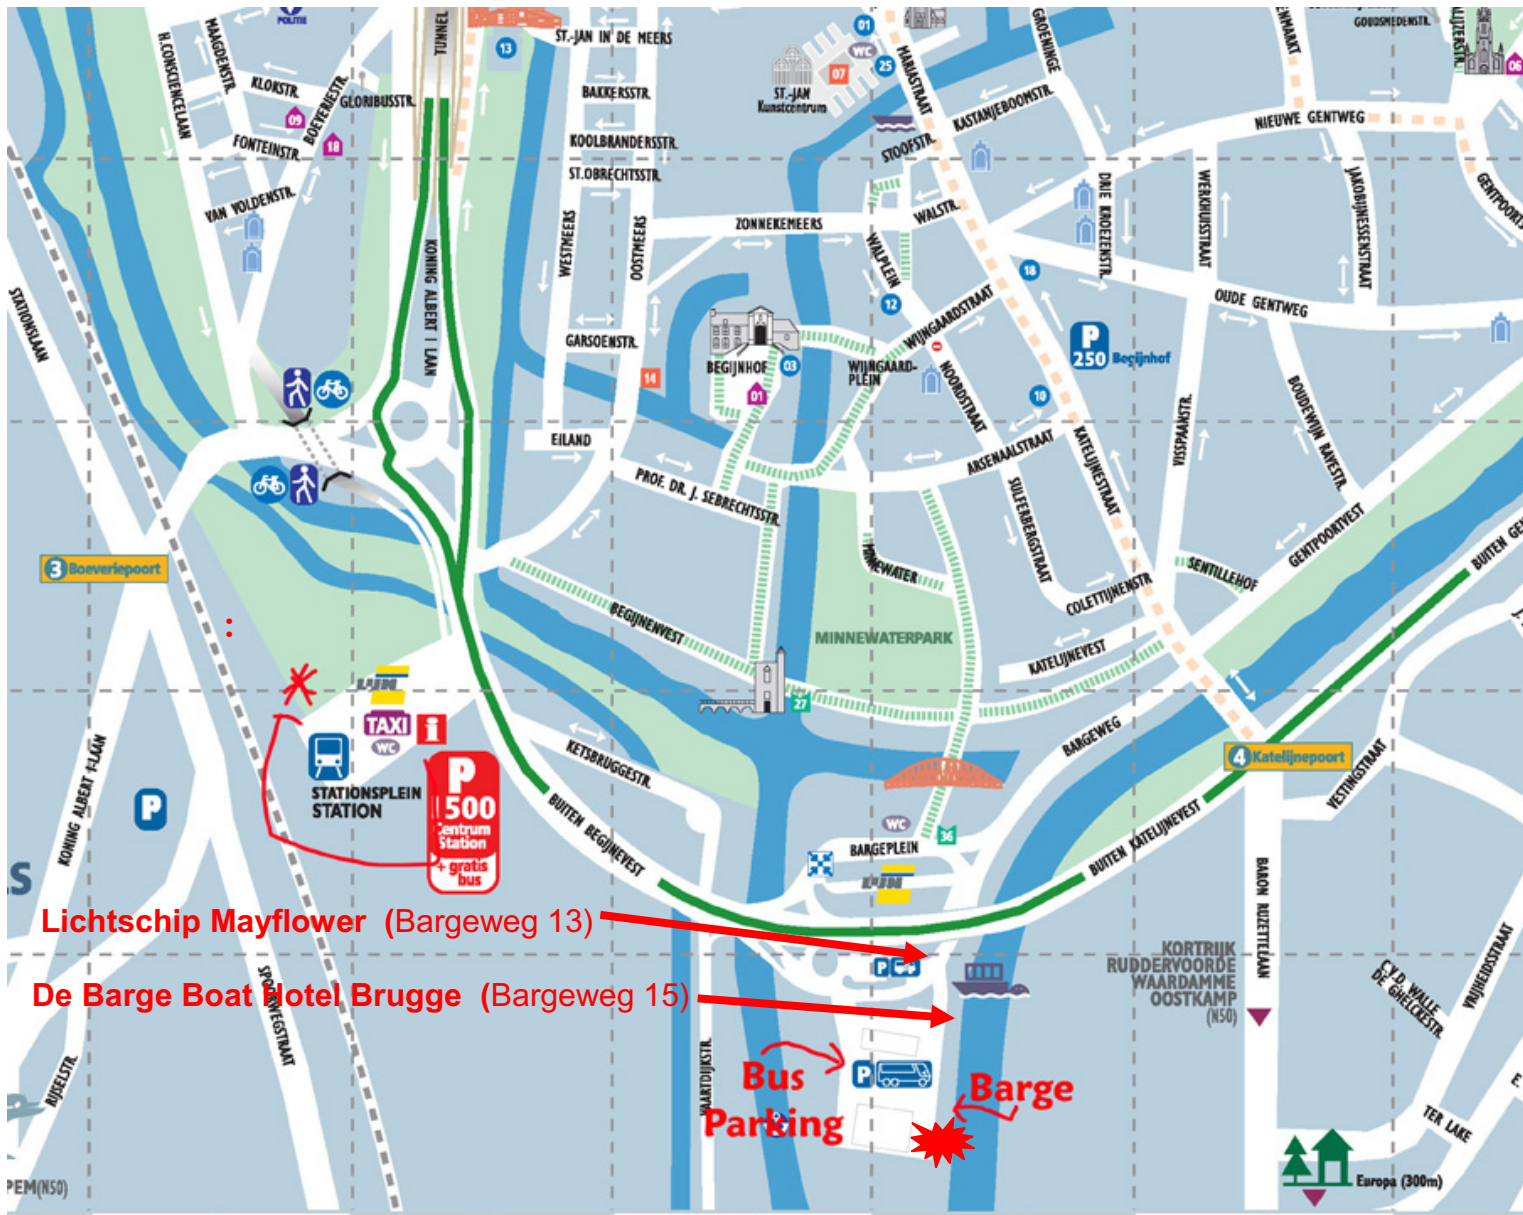

The best bet would be to print out the 1st map below and show it to him/her. It is about 1km drive from the train station.

Where are the Taxi Lines at the Bruges Train Station?

Once you arrive at the Bruges train station walk out the front entrance of the Station and you will see a "taxi line". Just flag down the 1st Taxi in that line to get to your final destination. (if for some reason there are no taxis in the line, just wait a few minutes and you will be sure to see one show up)

If you have any other questions or if I can help you with anything else, please let me know
