

How to find the Barge the Fiep in Bruges?

You may board the barge on Sunday between **1:00 & 1:30 pm**. Please do not arrive earlier as the crew will be busy turning the ship over from their previous tour. Since no lunch will be served on Sunday, we suggest you have lunch before you arrive. **Our Welcome Aboard Toast and Orientation Meeting** will take place at **1:45pm**. We plan to leave the barge at **2:30 pm sharp** for our first afternoon's excursions.

Where is the Barge in Bruges located?

The barge is within an easy walking distance from the train station and from the middle of town. ([See Google Map](#) Below) However whether you've just arrived by train or you've stayed a night or 2 in Bruges it is easiest to just take a taxi to the barge, especially if you have luggage. Just tell the taxi driver to take you to the Bus Parking area ([Brugge Katelijneparking](#)). **To help the taxi driver, let them know about these 2 landmarks which are extremely close to the barge (Fiep):**

- [Lichtschip Mayflower](#) Bargeweg 13 (a restaurant)
- [De Barge Boat Hotel Brugge](#) Bargeweg 15 (a hotel & restaurant)

The best bet would be to print out the 1st map below and show it to him/her. It is about **1km drive from the train station to the barge or about 2km drive from the center of town.**

Where are the Taxi Lines at the Bruges Train Station?

Once you arrive at the Bruges train station walk out the front entrance of the Station and you will see a "taxi line". Just flag down the 1st Taxi in that line to get to your final destination. (if for some reason there are no taxis in the line, just wait a few minutes and you will be sure to see one show up)

Trains...

We highly suggest you arrive in Belgium at least a day before the cruise departs to allow for flight or train delays, etc...however, we realize vacation time can be limited. So if you are arriving the morning of the cruise, we advise you allow a minimum of 2 ½ to 3 hours between your landing time and arrival at the barge to allow you enough time to collect your luggage, take the train from Brussels Airport to Bruges, and then take a taxi to our mooring. (Please see Google maps referenced above)

ARRIVAL TRAINS to Bruges directly from the Airport:

At the Brussels Airport, just follow the signs to the Airport Train Station once you exit customs. The airport **train station is located below the terminal (basement level -1)**. Here you will find a ticket booth to purchase your tickets; you can pay by euro or with credit card. Just ask for a one-way ticket to Bruges. If you are unsure which train track to take, just ask the person in the ticket booth.

After 9am there are up to 6 trains per hour which leave from the Airport and go to Brussels, where you will then need to change trains if you are continuing to Bruges. The train from the airport will take between 10-17 minutes to arrive at Brussel Nord station. Then if you need to switch trains in Brussels to continue onto Bruges, there are 3 trains per hour, which will take an additional 1hr 08 min to 1hr 18 minutes.

Note: there are three major train stations in **Brussels** from north to south (from the airport) you have:

1. **Brussel Noord aka (Bruxelles Nord) – Best one to use if you are coming from the airport & connection to another train to Bruges immediately after arrival. ******
2. **Brussel Centraal aka (Bruxelles Central) – Most common stop for most hotels & Closest to the Grand Place**
3. **Brussel Zuid aka (Bruxelles Midi) – For connections to High Speed Trains - DO NOT CONFUSE THIS WITH BRUSSEL CENTRAAL!!!!!!**

****The Train from the airport stops at all 3 Brussels train stations. We suggest you get off at **Brussel Noord to transfer to Bruges**, since it is the 1st stop in Brussels and therefore you will have an easier time finding a seat and storing your luggage.
